EXPERIENCE

Production Artist / Graphic Designer
Chegg
2016–2017

Styled animated and static assets for site, email and online platforms (Google, Facebook, Twitter, Instagram, Pandora) in-step with company brand.

Graphic Designer
Sign My Signs
2015–2016

Design concept visuals presented to clients and city planning departments for approval; refine and prepare artwork files for digital print or fabrication; manage the production pipeline of multiple projects under tight deadlines.

Web Designer
Jews for Jesus
2013–2014

Produced digital content through interdepartmental collaboration; project lead on mobile app content; contributor to targeted social media and email campaigns; designed branding style guide for executive level presentations.

Production / PowerPoint
Duarte Design
2011–2012

Restyled and polished individual slide decks according to company guidelines; revamped visual content within slides for presentation quality; submitted vector assets for the "Diagrammer" library.

Creative / Production Specialist
Fleishman-Hillard
2011

Worked jointly with both designers and executives in a fast-paced corporate environment; customer-facing on major accounts for slide deck presentations and other deliverables.

Freelance / Graphic Designer
Self-Employed
2007–Present

Redesigned online presence and restyled print collateral for independent business owners.

Production Assistant
Babilon Arts, Inc.
2007–2010

Created 3D models, custom surface textures and environmental lighting in "3D Studio Max" for high resolution renderings of products; coded landing pages and websites with HTML and CSS; produced digital assets for web and print.
